## INTRODUCTION

Friday June 23rd, 2017, the DRHCC said so long to Judith Montalvo who had served as Administrative Assistant for nearly three years. Ms. Montalvo decided to move, after her daughter's graduation from DRHS, to be closer to where her daughter will pursue higher studies in the Fall. We wish them both the best and hope they will stay in touch.

Following Judith's departure, we are happy to welcome **Ms. Edith Gonzalez**, a Del Rio High School senior student, to fill the Administrative Assistant's position. Edith comes to us highly recommended by her director. Edith, the daughter of Juan Jose Gonzalez and Monica Gonzalez, is well versed in office procedures, technology, and fluent in both English and Spanish. We invite you to visit or contact her for Weekly Blast ads, flyers for promotions and any other assistance that you may need.

## July Membership Meeting

Reducing backlog of cases was among the numerous improvements to the 63rd/83rd District Attorney's office cited by D.A. Michael Bagley at the August DRHCC Monthly meeting hosted by Texas Community Bank.

D.A. Bagley, who represents Val Verde, Terrell, and Kinney Counties recognized and credits his staff, the team who helps him accomplish the goals he set out for the District Attorney's office. One such goal was improving professional relationships with the law enforcement community by conducting various training seminars. Establishing a professional appearance of the elected office is also of utmost importance and the reason for being accessible to the public, having a sign placed on the D.A.'s door, and increasing staff without increasing costs to the counties were also Bagley's informational and often motivational speech, new membership plaques were presented to Texas Parks and Wildlife and MG Photography.
